Silent Auction

April 17th

WISCONSIN BUILDERS ASSOCIATION

Money is being raised for Building a Better WI PAC

The Importance of Building a Better WI PAC:

The overall objective is to elect pro-housing candidates.

Our political action funds are necessary because today's campaigns require large amounts of money in order to achieve victory on Election Day. We must participate to be recognized as a political force before candidates are elected, which helps our credibility when we discuss issues important to us afterward.

An essential part of the WBA is showing our collective statewide support for housing issues at the capitol, and our political giving allows us to stand behind our legislative priorities.
